WHAT IS ARTSCAPE?

JamestownRenaissance.org/ArtScape

ArtScape Jamestown was created in 2023 by the Jamestown Renaissance Corporation, Chautauqua Art Gallery and the City of Jamestown Parks Department.

The colorful banners add interest and intrigue to the downtown streetscape, encouraging pedestrians and vehicle traffic to slow down and enjoy the display. Each banner is sponsored by a local business and showcases local artists, highlighting the creativity and talent of those who live and work in the region. New artwork is selected each year by a jury of arts professionals.

This program is made possible with funds from the Sheldon Foundation Director's Discretionary Grant, as directed by Alexis T. Singleton.

This program is made possible with funds from the Statewide Community Regrant program, a regrant program of the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature and administered by Arts Services Inc.
