WHAT IS ARTSCAPE?

ArtScape Jamestown was created in 2023 by the Jamestown Renaissance Corporation, Chautauqua Art Gallery and the City of Jamestown Parks Department.

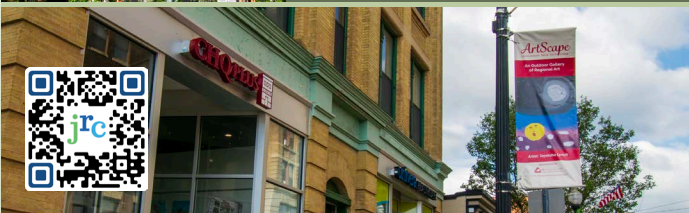

ArtScape is a public art program open to local artists of all ages that is meant to represent a diverse group of regional artists from all walks of life.

The colorful banners add interest and intrigue to the downtown streetscape, encouraging pedestrians and vehicle traffic to slow down and enjoy the display.

Each banner is sponsored by a local business and highlights the creativity and talent of those who live and work in the region. New artwork is selected each year by a jury of arts professionals.
